

Canadian Association of Research Libraries

The voice of Canada's research libraries

Our members include Canada's twenty-nine largest university libraries and two federal institutions.

Enriching research and higher education is at the heart of our mission. The right to access information and knowledge guides our work.

CARL members provide invaluable support to Canada's research community by:

- Working to improve access to knowledge
- Improving services to students, faculty and researchers
- Promoting effective and sustainable scholarly communication
- Ensuring that Canada's researchers have world class information management capacities
- Sharing best practices and experiences
- Advocating public policies that enable broad access to scholarly information

By preserving and enabling access to knowledge, our members support Canada's researchers and foster innovation.
