

# Shared Print Archive Network

Doug Brigham | COPPUL SPAN Coordinator

@Risk North | Ottawa, ON | 10 November 2017

# COPPUL

- Consortium of 22 university libraries in Western Canada
- 15 affiliated members across the country
- Formed in 1991
- Other programs include resource sharing, e-resource licensing and digital preservation

# COPPUL SPAN

- Shared Print Archive Network
- Formed in 2012
- 20 of the 22 member libraries participate

# Goals

- Provide access to shared print archives
- Create opportunities for the reallocation of library space
- Preserve the print record in a cost-effective manner

# Participant Roles

- Archive Supporters
- Archive Builders
- Archive Holders

# Phase One (2012 – 2013)

- Widely held, low-risk print journals
- Digital equivalents with post-cancellation access rights
- 1,630 titles retained through 2022
- 10 Archive Holders

## Phase Two (2013 – 2014)

- Additional journals, including some Canadian materials
- Some without post-cancellation access rights
- 17 titles retained through 2023 + 1,138 titles through 2038
- 9 Archive Holders

# Phase Three (2014 – 2015)

- Earlier and later titles from Phase Two
- High risk print journals
- Statistics Canada serial titles with digital equivalents
- 379 titles

# Phase Four (2016 – )

- 764 additional Statistics Canada titles
- Analyzing the responses from participants
- Archive Holders will be assigned shortly

# Monographs Project (2015 – )

- 10 participating institutions
- Working with SCS Greenglass
- Retention lists finalized in Spring 2017
- Shelf verification underway

# What's Next for SPAN?

- Complete Phase Four
- Review the original 2012 membership agreement
- Develop an over-arching MOU
- Develop an MOU for the monographs project
- Develop Phase Five: Rare Canadian Serials
